NO FINES JUST FINE BY ME

The Fall Creek Public Library (FCPL) is no longer charging fines for overdue materials. FCPL Director Laura Tomcik states "The FCPL Board evaluated the purpose of the library, determining charging fines can discourage the use of library materials and may negatively impact the library's purpose to supply our community with resources they can borrow for their education and entertainment." (Bear in mind that you could still receive overdue fees from other libraries, and the Fall Creek Public Library will still charge for lost or damaged materials.)

VILLAGE BOARD MEETINGS

The Village Board invites you to attend their meetings. Regular meetings are held the second Monday of each month at 6:30pm in the board room of Village Hall. Your input could be very useful for future plans and programs for everyone in the Village. We all live here—and want what's best for the Village!

BURNSITE-COMPOST SITE

The burnsite-compost site is now open for spring.

First and Third Saturday morning: 9am-Noon

Second and Fourth Wednesday afternoons: 4-6pm

- Only leaves, grass clippings, and clean wood 6" in diameter or less will be accepted.

- Site is located at the end of Kopplin Road E.

A printed schedule is available at the Clerk's Office.

KEEPING IT CLEAN

Remember to keep grass cut and weeds removed from your property. Don't blow lawn clippings, leaves, or other debris into the village streets. It can clog the storm drains hindering property water runoff. Removal can be costly and cumbersome. Thanks for your consideration of our Public Works crew!

LOVE YOUR DOG?

LOVE YOUR NEIGHBORS TOO

Please keep your dog on a leash when taking them out for a walk. It's reassuring to those around you to see you have your dog under control. (Village Code §100-4)
